

Mandi Contractor System

Contractor & Official Login

When the user opens the Mandi Contractor System, this homepage appears.

The screenshot shows the homepage of the Mandi Contractor System. The header includes the Mandi Parishad U.P. logo and name, and the text 'MANDI PARISHAD'. The main heading is 'Mandi Contractor System'. Below this, there are two main sections: 'Contractor Registration' and 'Official Login'. The 'Contractor Registration' section has a description, a 'Contractor Login' button, and a 'Create Login' button. The 'Official Login' section has a description and an 'Admin Login' button. At the bottom, there are two buttons: 'View Instructions' and 'Download SOP'. Callout boxes provide additional context for each element.

Contractor Registration

For contractor registration and renewal and to track the status of your application, please login here. You can also edit your application.

Official Login

Login here for Admin, work progress, billing, etc. Please ensure that your work details are registered on the portal before proceeding.

Contractor Login **Create Login**

Admin Login

View Instructions **Download SOP**

For contractor registration and to view and track the status of your application, please login here.

For already registered contractors

For Create Login

Users should read instructions before registration.

Only official department users should click this.

Download the SOP for instructions. Read this and know how to use the app.

User Instruction

Contractor User Instrucations

CONTRACTOR REGISTRATION SYSTEM User Instructions & Application Procedure

Annotations:

- Write the full name of the partner
- Select and upload the partnership proof document.
- Add the authorized person's name.
- Check the table and verify all partner details.
→ If any entry is wrong, delete and add it again.
- Add the main business address (building/shop/house number, street).
- Choose your business district from the dropdown list.
- Enter the 6-digit postal code of the business location
- Select Partnership in the Legal Entity Type field.
→ The Business Details section will appear.
- Add the partner's active mobile number.
- Add the authorized person's address.
- The entered partner details will be added to the table below.
- Add additional address details (area, landmark, locality) if needed
- Write the city name where the business is located.
- Click the Register button to submit the registration form.

Registration Form (GST)

Enter Firm/Company
Owner Name

The system will check
whether the GST number is
valid.

If the GST is valid, a GST
Verified message will appear.

After successful verification, some
fields (like Firm Name or GST Date)
may auto-fill based on GST records.

The contractor should save the PAN
Number and Password after
registration, as the PAN Number will
be used as the Login ID for future
logins

Review the auto-filled details
and continue filling the
remaining form.

Make sure the GST number is
correct before verification, as
incorrect GST details may stop
the registration process.

Know Your Application Status

APP2026-0001

Search

Displays or accepts the unique application number assigned during the registration process. This number is used to search and track the application.

Message By: ddAyodhya

Remarks: fjhjihfgj jhjgggigjg

Download Certificate (PDF)

Click the Search button to retrieve the latest status of the application associated with the entered application number.

After searching, the system displays the current application status.

This indicates that the application has been successfully reviewed and approved by the concerned authority.

Displays comments, observations, or instructions provided by the reviewing authority regarding the application.

The Download Certificate (PDF) button allows applicants to download the approved registration certificate in PDF format.

Displays the name of the officer or authority who updated or approved the application status.

Application Return

The Final Summary (Review) screen is the last step of the application process.

The screenshot shows the 'Mandi Parishad U.P.' website interface. At the top, there is a header with the logo and name, and a navigation bar with links: 'Home', 'Know Your Status', and 'Incomplete Application Details'. The 'Know Your Status' link is highlighted. Below the navigation bar, there is a section titled 'Know Your Application Status'. This section contains a search box with the text 'APP2026-0015' and a 'Search' button. To the right of the search box, there is a dropdown menu showing 'grdgt brtg btete'. Below the search box, there is a light blue box containing the message: 'Your Application is Returned by DDC. Message By: ddAyodhya. Remarks: hfhfdhfhfhfdnn fhndfn'. Below this message box, there is a yellow button labeled 'Preview & Correct Application'. The entire interface is annotated with several callout boxes explaining the steps and components.

Click the Search button.
→ The system will fetch your application status.

Enter your Application Number in the search box.

Check the status message displayed on the screen.
→ It shows the current application status (for example: Returned, Pending, Approved, Rejected).

This shows which officer/department updated or returned the application.

This contains the reason for return/correction or important instructions.

If the application is returned for correction, click Preview & Correct Application.
→ Review your application and make the required corrections.

Update the required details and resubmit the application.

The Final Summary (Review) screen is the last step of the application process.

Final Summary

The Firm Details section displays the information entered during firm registration.

Declaration

☐ I/We certify that I/we shall not register for contracting under more than one name in the State Agricultural Produce Market Board (Mandi Parishad).

☐ I/We fully agree with every decision of the officer accepting the application and including my/our name in the registration list, such as making corrections in case of future changes in information or confirming the information provided by us.

☐ I/We certify that all information provided by me is completely correct. I/we also have no objection if my/our name is removed from the registration list or if any of my/our current contracts are cancelled in case of submission of any false certificate/records or association with any other firm.

Click Back to return to the previous screen and make corrections if required

Back

Submit Final Application

Click Submit Final Application to submit the completed application for review and approval by the concerned authority.

Download PDF

Click Download PDF to download a PDF copy of the complete application for review, printing, or future reference.

Activate Windows
Go to Settings to activate Windows.

Before submitting the application, the applicant must read and accept all declaration statements.

The Uploaded Documents section displays all documents uploaded during the application process.

Profile Summary

The Incomplete Application Details screen displays all applications that have been saved as drafts but have not yet been finally submitted.

Draft indicates that the application has been saved but not yet submitted.

The Preview link allows contractors to view the information already entered in the application and review the saved details before continuing.

Displays the last stage completed by the contractor.

The table displays all draft or incomplete applications associated with the contractor's account.

Important : If a contractor starts filling out an application and leaves the portal before completing all stages, the application is automatically saved as a Draft. The contractor can later log in to the portal and access the Incomplete Application Details page to continue the application from the stage where it was left.

The Applicant Details screen is used to capture the applicant's personal information, banking details, and solvency certificate details required for contractor registration.
